

If I Should Wander Back Tonight

E A
For many years I've been a rolling stone my darling
E B7
Like a gypsy I have roamed from place to place
E A
Fortune never came to me how happy I would be
E B7 E
Just to look again upon your smiling face

E A
Now if I should wander back tonight would you be waiting
E B7
Would your eyes be filled with love's own tender light
E E7 A A7
Would your arms be empty dear would you thrill to find me near
E B7 E
Would you love me if I'd wander back tonight

When budding flowers lend their fragrance in the springtime
I recall the roses twining round your door
Fancy then I homeward stay and I seem to hear you say
That you love me as you did in days of yore

Chorus

Last night I dreamed that you and I were back together
I held your hand so gently in my own
Heard you say we'd never part as I pressed you to my heart
Then I woke in tears to find myself alone

Chorus
