

## Lonesome Pine

Intro - A E D E A Bm C#m D E A

A E  
There's a path back in the mountain  
D E A  
To that one room house were I was born  
Bm C#m  
And even now the memories linger  
D E A  
My momma's smile so soft and warm

A E  
*Lonesome pine I can hear you callin'*  
D E A  
*Callin' me back to my home*  
Bm C#m  
*Where the fox and hound through the hills are roamin'*  
D E A  
*Lonesome pine callin' me home*

It's been so long since I left that cabin  
In search of wealth, fortune, and fame  
And late at night when I'm alone and lonely  
I still hear my daddy call my name

### **Chorus**

Someday soon I'm gonna travel  
Back to the land that I love best  
In the stillness of the mountains  
I will find sweet peace and rest

**Chorus** (repeat last line)

Ending: Bm C#m D E A
