

Fox on the Run

Country Gentleman version

B **F#** **C#m** **E**
She walks through the corn leading down to the river
C#m **F#** **E** **B**
Her hair shone like gold in the hot mornin' sun

B **F#** **C#m** **E**
She took all the love that a poor boy could give her
C#m **F#** **E** **B**
And left me to die like a fox on the run

E **B**
Like a fox, (like a fox, like a fox) on the run

E **B** **F#** **B**
Everybody knows the reason for the fall
E **B** **C#7** **F#**
When woman tempted man down in paradise hall
E **B** **F#** **B**
This woman tempted me alright then took me for a ride
E **B** **F#** **B**
But like a lonely fox, boys I need a place to hide

Chorus

We'll pour a glass of wine to fortify our souls
We'll talk about the world and friends we used to know
I see a string of girls who have put me on the floor
The game is nearly over and the hounds are at my door

Chorus
